

Auto-centre "METEK" is interested in finding partners on the following projects:

- 1) Construction and further operation of conceptual Autocenters Volkswagen, Audi, Seat and large straightening and painting Center on the territory owned by us on the rights of private property (0,9 ha)
- 2) Construction and operation of a logistics center with specialization: Car parts, with the subsequent formation of own dealer network for Ukraine.
- 3) Other joint projects with a payback of up to 5 years, for example, green Tourism (there is a recreation center on the Desna river)
